

Governor's Conference on Housing
Sept. 27-29
Charleston Civic Center

This is to remind you the Governor's Housing Conference is taking place Sept. 27-29 in Charleston. West Virginia Housing Institute Inc. Co-President Kevin Wilfong of Fairmont is one of the panelists on the program.

This program is designed to make recommendations to the governor and Legislature on future strategies for the development of good, affordable housing in West Virginia. WVHI is a sponsor of the events, which will take place at the Charleston Civic Center.

This is the first conference of its kind in nearly 20 years so it is an important event.

I urge as many of you as possible to come, listen to the panel discussions, and take part yourselves.

Separate hotel registrations for those staying overnight must be made at the Charleston Marriott at (304) 345-6500 or (1-800) 228-9290. We have a discount rate.
