Help in zoning fight in Berkeley County

MARTINSBURG — With the zoning ordinance coming to a vote in May, you may want to know what you can do to get involved to educate Berkeley County citizens about the problems zoning poses to affordable housing.

A group has formed to help inform the residents of Berkeley County about the negative consequences zoning may have on affordable housing. This group is looking for professionals and concerned citizens to join.

Contact Andy Dimagno at adimagno@pcdimagno.com if you're interested in joining. Do it today! Time is running out! The vote on zoning will be here before you know it!
