

February 2019

Dear Member:

The 14-member board of directors of the West Virginia Housing Institute Inc. invites you to the WVHI's 2019 convention at Stonewall Resort. The event is scheduled for June 17-19, 2019. We look forward to you being there, with your staff.

We have put together an excellent program of speakers and entertainment we hope will both stimulate your knowledge of the industry and at the same time leave you with enjoyable thoughts about the time we spent together. A member of the state Appraisal Board will be on hand to discuss appraisals. We also have a speaker from the Freddie Mac SmartMH program that helps prospects who can't/don't buy a home, get the help they need, including down payment assistance.

The program includes the matchless value of our lawyers' forum, which presents the best legal minds in the industry to you, plus makes available for you time to spend with Division of Labor Commissioner Mitch Woodrum.

The program is not all work, though. We offer two receptions, a live-band, golf on a superb course, and a fabulous banquet spread before you among the lake country in the prettiest part of the Mountain State.

We hope you will, as you always do, give generously to our political action committee fundraising efforts through the PAC auction. It is the only time we can raise money for our important political action committee.

Your presidents and board have worked diligently as we always do to present you the very best.

As always, we hope you enjoy yourself at this year's event.

Sincerely,

Kris Hershberger
Co-President
