

### **Sprinkler seminar in western Maryland on June 3**

The Garrett County, Maryland, Department of Permit and Inspection Services has scheduled a seminar from 3 to 5:30 p.m. on June 3 at the Continuing Education Building at Garrett College, 682 Mosser Rd., McHenry, MD.

This will be to discuss the mandatory installation of sprinklers in all homes, including manufactured homes, in the county as of July 1.

Presentations will be made by Jay Livingston, chairman of Livingston Fire Protection Inc.; and Larry Iseminger Jr., chief fire protection engineer for the Maryland Fire Marshal's Office. County officials also will review the permitting and inspection process related to the installation of residential sprinkler systems, following by questions and answers.

For further information, you may contact the department at (301) 334-7470 or [permitsandinspections@garrettcounty.org](mailto:permitsandinspections@garrettcounty.org).
